

Says

What have we heard them say?
What can we imagine them saying?

Thinks

What are their wants, needs, hopes, and dreams?
What other thoughts might influence their behavior?

Designing Professional
visiting card

A card bearing a persons name and address sent are left in lieu of formal social or business visit

encourage people to contact you visit your business (or real life) and learn more about you

A small card presented then visiting that beairs name and sometime address the visitor

Indiuals to present themselves to others

A unique business card is the keyto being memorable

Get hope personalized business card or make your own from scartch

This is very simple method and very usefull for members and others

The business card use to other countries members

I feel very well

Business development and overall members in this business cards

Very interested this idea

Does

What behavior have we observed?
What can we imagine them doing?

Feels

What are their fears, frustrations, and anxieties?
What other feelings might influence their behavior?
